

Dear Committee member

Andi Richards has been in contact today to advise that due to a change in his work circumstances he will no longer be able to continue in the role of Chair of the RVA and, as such, is resigning from the position. Andi would like to pass on his gratitude for the support he has received from all the RVA members and wishes us all a very bright future.

I would like to take this opportunity to thank Andi for all his hard work and contribution to the Village Association and congratulate him on his new role with work and to wish him the very best of luck for the future. This does mean that at the next open meeting on Wednesday 15th May we will have several positions within the committee to appoint.

1) Chair - I am happy to stand for the position of chair of the RVA. If you would also like to stand, or you know of any one else who would like to stand for this position, then please do let me know.

2) Vice Chair - Bob Atwood has advised that he would be more than happy to stand again for this position (Bob was absent from the AGM as he was on holiday and so we had to hold this vote over).

3) Secretary - This position will also be up for appointment as I am proposing to stand for the position of Chair. Please do let me know if you or any others would like to stand for this position.

4) General committee member - Carol has advised that due to other commitments, for this year, she will take a break from being on the RVA committee. Again if you know of anyone who would like join/stand then please do let me know.

Kind regards as always

Alex Britcher - RVA secretary
